IV. New Business

I. BSD Budget – Rhea Larson for Kathleen

School district has approved budget for next year. \$30 million cut for this year. All districts are waiting for state for final number. Expected \$5.8 billion. If it comes lower then expected more cuts at BSD. Should know by July. For Findley, we will have 4 furlough days. VP is moving to Mountain View Middle School. Less staff. Custodial services will be re-organized to be more efficient. Temporary teachers with less than 3 years experience will no longer return.

Not many people know about the cuts. It was suggested to use help counter to get the message out about the changes/cuts.

Put the information on PTO website

II. Levy – Rhea Larson for Kathleen

Over last 4 years reduced funds by \$104M. Levy in November will provide \$15-20M per year.

For more info on levy put a link on PTO website.
