

Findley Lingo

Prepared by Findley PTO

Art Literacy – A volunteer-staffed elementary and middle school art education program. The program consists of volunteers who go into classrooms to give a visual presentation on an artist which is followed by a hands-on art project with the students. Typically during the year, there are six different lessons presented. Volunteers are trained for every lesson they teach by a site based coordinator at each school. The program's curriculum at present is based on more than 100 artists, including European masters, renowned American artists, cultural arts, some living and local artists.

Attendance Line – 503-259-6940. Phone number to call when your child will be absent from school.

Back to School Night – Parent only event held during the first week of school. Parents are welcomed by principal, given school wide updates and announcements, and invited to meet with classroom teachers to hear specific teaching philosophies, curriculum, and student expectations.

Battle of the Books - A statewide voluntary reading motivation and comprehension program sponsored by the Oregon Association of School Libraries in conjunction with a Library Services and Technology Act grant. Students in 3rd-5th grade, regardless of ability, are exposed to quality literature representing a variety of literary styles and viewpoints. The mission is to encourage and recognize students who enjoy reading, to broaden reading interests, to increase reading comprehension, promote academic excellence, and to promote cooperative learning and teamwork among students.

Beaverton Clothes Closet - The Clothes Closet is operated by volunteers from the School District's parent groups and Beaverton community to provide free clothing for students in grades K-12 from families with limited income.

Biz Town – A curriculum that combines in-class learning with a day-long visit to this fully-interactive simulated town facility. The program helps students connect the dots between what they learn in school and the real world. Through daily lessons, hands-on activities, and active participation in this simulated community designed to support differentiated learning styles, students develop a strong understanding of the relationship between what they learn in school and their successful participation in a worldwide economy.

Box Tops for Education – A way to earn money for our school by clipping Box Tops coupons from hundreds of participating products. Subscribe at <http://www.2ways2earn.com>, enter your Safeway Club Card number & Findley as your school, to earn eBox Tops too!

Carnival – A volunteer run school-wide evening event with games, food, music, and fun for the whole family.

Class Party Parent – Parent who organizes and runs classroom parties throughout the year.

Classroom Coordinator – Parent who coordinates classroom volunteers and volunteer assignments for a specific teacher/classroom.

Common Core State Standards (CCSS) -- A coherent progression of learning expectations in English language arts and mathematics designed to prepare K–12 students for college and career success. More information at <https://www.beaverton.k12.or.us/parents/common-core>

Cultural Night – An evening of games, music, crafts, and food celebrating a specific country or culture, based on the cultural unit in Art Literacy for the year.

Daily 5 – Literacy curriculum which includes read to self, word work, listen to reading, read to someone, and writing.

Dragon Dash - Findley PTO's primary method of fundraising for the school year. Children have the opportunity to run laps at a designated time and get sponsors to donate to the school.

Dragon Riders – 5th grade students who participate in leadership activities throughout the school year.

Dragon Tickets – Certificates given to classes for displaying PYP Learner Profile attributes and attitudes.

ELMOs – Overhead projection units used at Findley.

Field Day – A day devoted to cooperative games and active play for each grade level. Takes place in the spring.

Findley Flyers -- A running club that encourages kids to get exercise by tracking their mileage & running with their friends at lunch recess (currently Tues) or before school (Thurs 8AM). All children are enrolled in this program, although participation is optional. Children earn toe token awards as they reach certain mileage intervals and a medal when they run a marathon!

Help Counter – Internet based software that keeps track of volunteer database, volunteer assignments, and volunteer hours worked. Also used to send messages to registered volunteers.

Lost and Found – Locations for misplaced student belongings. Main location is by the hallway doors at the back of the school, leading out to the playground. Items are often placed in cubbies near the cafeteria door as well.

Mealpayplus.com – Website that allows access to your student's meal account. You can check balances and add funds to account.

Movie Night – PTO sponsored events held several times throughout the school year on a Friday night. A G or PG film is shown and snacks are available for purchase. Pillows and blankets are encouraged.

Neighborhood Courtesy - We strongly encourage parents who pick-up and/or drop-off their children in the lower parking lot to be considerate of their neighbors. Please do not make illegal U-turns or use driveways to turn around particularly on Tustin Ranch Drive. This creates congestion as well as a safety hazard for those students who walk to school. We also encourage families to use our designated pick-up/drop-off procedures in the school parking lot rather than parking and waiting for their children in Findley's surrounding neighborhoods particularly Bauer Creek Estates and Remington.

One School, One Book – A program designed to create a shared reading experience within a single elementary school community. A chapter book is chosen, every family in the elementary school receives a copy, and every family reads that book at home over the course of a single month. Activities at school coordinate, promote, and enrich the shared reading experience.

Outdoor School – 5th grade opportunity to stay overnight in a camp environment for several days.

Parent Packet Pickup – Event held week before school starts that gives families the opportunity to review enrollment forms, pick up bus schedules, pick up district forms for free/reduced lunch, insurance, etc, pick up yearbook/directory/T-shirt order forms & payment envelope, pick up pre-ordered school supplies, sign up for helpcounter, receive classroom teacher assignments, and get volunteer badge photos taken.

Passport Club – Volunteer-run geography program for grades two through five. Kids bring home laminated study maps and that month's map each month. The third Tuesday of the month is passport quiz day and the third Friday is a recheck opportunity for kids who missed a couple missed countries. This program occurs during the school day and is optional.

Portable – Classroom that is separate and outside of main school building.

PTO – Parent Teacher Organization

PYP – Primary Years Program. This is the program we are exploring at Findley in the 2013-14 school year. It focuses on the development of the whole child in the classroom and also in the world outside, through other environments where children learn. More information is available at www.ibo.org.

Science Fair - A school-wide evening event where students present their science projects. Parent reviewers interview each participant, and exhibitors from the community share examples of real-world science applications.

SCRIP/ESCRIP/gift SCRIP – Fundraisers. ESCRIP is an online service which registers your credit cards and then participating stores donate a percentage of your purchase to Findley whenever you use your credit card. Gift SCRIP is an annual event when parents can fill out a form and give any dollar amount as a gift for specific Findley teachers and staff. The gifts are then combined across the school and SCRIP gift cards are purchased for the recipients. Each SCRIP purchase returns a certain percentage of the card value to Findley.

Service Project: Findley Beautification – Each fall and spring the Findley community meets on a weekend and works around the Findley grounds to maintain and improve the landscaping.

Sock Hop – PTO sponsored event with food, music, and fun based around a 1950's type event.

Spirit Days – Days throughout the year where students have opportunities for themed dress and activities during the school day.

Spirit Gear – T-shirts and sweatshirts with the Findley logo that are purchased through the PTO spirit gear coordinator.

Student Meal Account - Each student is assigned their own individual meal account which they can access using a Personal Identification Number, (PIN). The meal account is a debit account, so students who purchase full and reduced price meals must deposit money into their accounts before they can purchase meals.

SUMMA – Program at the middle schools for highly-gifted students who qualify during fourth and fifth grade testing periods.

TAG – Talented and Gifted Program

Volunteer Badge – Photo identification that needs to be worn at all times when working in a volunteer capacity at school.

Walk to Read – Students work on literacy skills with other students at similar rate and level and may be with another teacher at that grade level.

Writing Festival – In the spring, the entire school gathers in many small groups to share writing samples with each other. The groups include diversity in grade levels and writing groups. Parents and staff facilitate the small groups.

Yearbook Love Notes – A short note for your student that will be included in the back of the yearbook. Be sure to include to and from information in your love note.

Revised 9/2013
